ORANGE CART TAG

If crews are unable to complete your service, a tag indicating the issue will be placed on your cart. An overflowing cart is one example.

HOUSEHOLD AND RECYCLING CARTS

All recycling and household garbage must be placed in the appropriate City of Brookings cart. Plastic bags are **not** accepted for recycling and should be placed in your regular green garbage cart.

Do not place your recyclable products in plastic bags inside your blue cart.

All household garbage should be bagged to help keep carts clean and odor-free. The homeowner is responsible for keeping the cart clean.
