2022 BROOKINGS COMMUNITY GAMES RULES

INTRODUCTION / TEAM BUILDING EVENTS:

Location: Pioneer Park

Team Limits: Unlimited participation

1. A team must consist of both men and women participants.
Specific Event Rules will be provided to team captains.

MIXED DOUBLES PICKLEBALL:

Location: Hillcrest Tennis Courts

Team Limits: 1 mixed doubles team maximum per Community Games Team

1. Paddles and pickleballs will be supplied. Participants may also use their own approved paddle.
2. Serve: Players must keep both feet behind the back line when serving. The serve is made underhand. The paddle must pass below the waist. The server must hit the ball in the air on the serve. The wrist must be above the ball height when contact is made. The service is made diagonally cross court and must clear the non-volley zone. Only 1 serve attempt is allowed, except if the ball touches the net on the serve and lands in the proper service court. Then a second serve may be taken.
1. Serve Sequence: The services always start on the right-hand court and alternates from right to left to right, etc... as long as the server holds the serve (i.e. won the point). The team serving the initial serve of the game can only commit 1 fault (i.e. lose the point) before it is passed on to the opposing team. After that, each team member serves until that player loses the serve when the team commits a fault. After both players have lost their serves, the serve passes to the opposing team. If the serve rotation is done properly in doubles, the serving team's score will always be even when the player that started the game on the right side is on the right side and odd when that player is on the left side.
2. Volley: To volley a ball means to hit it in the air without first letting it bounce. All volleying must be done with the player's feet behind the non-volley zone. Stepping into the non-volley zone on a volley follow-through is also a fault. The non-volley zone is 7' in length on both sides of the net. This area is called "The Kitchen".
3. Double Bounce Rule: Each team must play their first shot off the bounce. That is, the receiving team must let the serve bounce, and the serving team must let the return of serve bounce before playing the ball. After that point, the ball can be either volleyed in the appropriate zone or played off 1 bounce.
4. Fault: a) hitting the ball out-of-bounds; b) the ball does not clear the net; c) stepping into the non-volley zone and volleying the ball; d) violating the double bounce rule.
5. Scoring: Rally scoring will be used. A player who is serving shall continue to serve until a fault is made by the serving team. The game is played to 15 points, but must be won by 2 points. Games can be shortened to 11 points if tournament is behind schedule. The server should announce the score and the serve prior to serving. For example, the server should say their score, then their opponents score, then 1 or 2 depending if they are the first server or second serve.
6. The tournament will follow a single elimination format. Multiple tournaments will be conducted.

6. Players may have a run-up to throw their disc but cannot cross their original spot of the disc.
7. Once the disc lands in the chained basket, the hole is completed.
8. A disc that comes to rest more than 6 feet above the ground is considered unplayable. The disc must be thrown from the ground directly below the lie and 1 additional stroke penalty is assessed.
9. A disc that lands out-of-bounds must be played from the point where the disc went out-of-bounds with a 1 stroke penalty. Out-of-bound locations are described on the scorecard.
10. Never throw until players ahead of you are out of range.
11. Obstacles to a player's stance or throwing motion that are permanent or are an integral part of the course can't be moved, bent, or altered by the player to facilitate the throw, except as to allow the player to take legal stance on the lie. When playing the lie, the player must choose a stance that will result in the least movement of any part of the obstacle between the lie and the hole.
12. A player may declare a lie unsafe and ask that the disc be relocated to a new playable lie within 5 yards, with a 1 stroke penalty.
